HOW TO FIND RED CAR AT THE AIRPORT

TORONTO PEARSON AIRPORT

At **Terminal 1**, our desk is located one floor below the Arrivals Level. Once you have collected your luggage and have exited the restricted area, you will exit out into the public concourse. Turn right and follow the signs for *Ground Level* or *Ground Transportation/Out of Town Van Services* (not *Taxis and Limos*). And don't go outside; our desk is inside the terminal. You will need to go downstairs to Ground Level and there is an elevator (on your right) and an escalator (on your left) within a short distance of each other to take you. If you use the elevator, walk straight out of the elevator and then turn left. Our desk is on your left. If you use the escalator, the desk is located at the bottom of it.

At **Terminal 3**, our desk is located on the Arrivals Level, between exit doors B and C. Don't go outside; our desk is inside the terminal. If you are arriving on international flights or flights from the United States, turn left when you exit baggage claim. Proceed along the terminal and past the car rentals (on your right) to the Ground Transportation Desk. If you are arriving on flights from within Canada, turn right when you exit baggage claim and walk a brief distance to Ground Transportation (on your left) located underneath the first escalator.

If you cannot find the Ground Transportation Desk please call 905-694-1900 (local call) and speak to the representative.

HAMILTON AIRPORT

Once you have picked up your luggage, proceed to the prearranged ground transportation annex adjacent to the main arrivals area. (Turn left when you exit baggage claim and go through the glass doors to the ground transportation annex.) Your driver will meet you there. If your driver is not inside the terminal, chances are he's waiting outside in his vehicle along the curb in front of the terminal. Look for a burgundy Lincoln Town Car or one of our Red Car Sprinter vans.

WATERLOO AIRPORT

Once you have picked up your luggage, proceed to the front entrance of the terminal. Your driver will meet you there. If your driver is not at the front of the terminal, chances are he's waiting outside the front door in his vehicle. Look for a burgundy Lincoln Town Car or one of our Red Car Sprinter vans.

BUFFALO AIRPORT

When you have landed at Buffalo and have picked up your luggage, you will check in at the Information Booth located next to the escalator on the Arrivals Level. (If you cannot locate this booth, please call 716-835-8111, a local number.) Your Niagara Airbus driver will transport you to the designated meeting spot in Grimsby, Ontario, where you and your luggage will be transferred to a Red Car Service vehicle, which will take you back to your prearranged drop-off location.
